

Diamond H Ranch will be hosting a Producer's Meeting on January 24, 2018 at the LaCrosse Livestock Market in LaCrosse, KS. This meeting is for anyone wanting to learn more about adding value to their operation, meet farmers and ranchers in the area and enjoy the company of other like-minded individuals.

The meeting will begin at 4:00PM. A representative from Allied Genetic Resources and the Red Angus Association of America will be talking about various topics pertaining to the cattle industry. A representative from MultiMin will also be presenting on different products to protect and maintain the health of your herd. Several industry vendors will also be available for your convenience.

We know that everyone is busy and that as each year passes, the "to do list" seems to increase rather than decrease. We hope that you will join us! A complimentary meal and refreshments will be served.

We wish all of you the best in 2018 and we look forward to seeing you at the meeting!

God Bless,  
*Justin and Jade*
