Ty Cornwell Family

Welcome to our 2024 Angus Bull and Female sale!

And thank you for your interest in our program! We are excited and proud to build on our 107 year legacy in the cattle business.

This year we are offering a quality set of bulls and females that will work for the most discriminating producer. The bulls are thick made, athletic individuals that will get out and cover the pastures. They are sired by some of the best A.I. bulls in the industry including Growth Fund, Rawhide, Regiment, and Wallstreet. We have several combination bulls – performance, calving, and maternal traits for use on both cows and heifers. Look at their stats and see a large portion of calving ease sires with nice added growth. As a bonus, several of our bulls bring a calm disposition that will ease their transition to your herd.

Included in the sale are 10 open replacement heifers and a handful of fall pairs. Many are A.I. sired!

Our family loves these animals and we know you will, too. You can be sure to buy with confidence when you are selecting our genetics. We hope you join us for lunch at noon before the for sale. The sale will also be available online at LMAauctions.com. Feel free to stop by and view the animals at the farm in St. John, we would be glad to show them. When you take one home, please keep us in the loop about their performance-we want to share in your success!

*Thanks,
The Cornwells*
