Welcome to our 2025 Angus Bull and Female sale!

We are excited and proud to build on our 108-year legacy in the cattle business using good cow sense combined with good science to produce profitable animals.

This year we are offering many age-advantaged bulls that are sound, athletic, and ready to go out and cover the pastures. Included in this offering are a diverse group of bulls including several calving ease sires, performance sires, carcass sires and bulls with good, balanced EPDs across the board. Our bulls offered are sired by some of the best A.I. bulls in the industry including Growth Fund, Statesman, Good News, and Gibson.

We are also offering a handful of purebred Angus spring pairs with many years of production life in front of them.

We hope you join us for lunch at noon before the sale. If you can't make it sale day, the sale will also be available online on CattleUSA. Feel free to stop by and view the animals at the farm in St. John, we would be glad to show them. When you take one home, please keep us in the loop about their performance - we want to share in your success!

Thanks,

The Cornwells
